# The Write STUFF!

## A BANGIN' BRIT BABE

*Megan Coxxx*

Before it get's all cold and rainy in London, I decided to take my boyfriend on a cruise around the Adriatic Sea. We flew into Split, Croatia, found the cruise ship and settled into our cabin. On board the second night we were having dinner at our assigned table when my I started getting frisky. We were making small talk with the others when under the table I put my hand on my boyfriend's crotch. I almost spilled my drink as I found his cock and squeezed it through his pants all the while turned towards the lady next to me and talking about rainy days in England.

Fortunately, the tables have long tablecloths to cover my actions. After a minute, I found his zipper and quietly pulled it down, got through his underwear and took his cock out. He was already hard so I had no problem finding it. I tried to focus on the table's conversation, but found myself missing a few words here and there. I would try to hide my pleasurable angst by drinking more than I should, but it felt so good and I was not going to stop myself. Ten minutes into this little scene, some people finished their meal and left the table.

That left me and him and two other cou-

ples on the opposite side of the table. I felt they could not see or guess what was going on so I continued stroking his cock. By now I had released his balls from their cotton prison and he was a free man. I pinched them just right to take it up a notch on the pain-is-pleasure meter. But it was my perfect strokes that got his blood rushing and after a few more minutes of inane conversation above the table and delicate stroking under the table, he came all over my hand and his pants.

He muffles a groan and a moment later I spill my wine "accidently" in his lap. Taking my napkin, I wipe his crotch being sure to smear the red wine all over his pants. With a silly grin, He I get up and pull him up too. I excuse us from our dinner mates, saying we should go and get him some dry pants.

On the way to our cabin, we laugh walking down the outside deck as we head to our stateroom's hallway. Along the way I spot a dark corner near where the deck chairs are stored. I pull him into the corner and pull out his semi-hard, musty cock, smelling like cum and red wine. Quite intoxicating, I thought.

I lower myself on my haunches and take it into my mouth. Quickly it stiffens up completely, like a British upper lip, and I exercise my ample blow job skills on his very willing cock. After some too loud slurps and deep sucks, he cums again. My hands are behind him grabbing his thrusting butt cheeks and pulling that marvelous man meat deep into my mouth and swallow it all. Licking my lips, I stand up and we head on to our stateroom where I throw him on the bed – and ravage him again!

# ON THE SCENE HOLA MI SEXY SENORAS

Alejandra was leaning back on the sofa, sipping her wine. She was wearing a deep blue shirt tied above her belly button and a black skirt that hugged her every curve. Her top was slightly open showing a black lace bra that pushed her boobs up and together, inviting every man's eyes to ogle them. Sitting on the other end of the sofa was, her good friend Ana Maria, nursing her glass of wine. She was wearing as little as possible, that showed as much as possible. That included a tight, deep red bodice that pushed her boobs up, seemingly under her chin, and short black spandex booty pants.

They both wore their dark hair long, Ana Marias' having a little kink to it. They liked to paint their lips blood red, and strangely it didn't look that bad. They liked to make guys think they were out looking for sex, when they were actually looking for reactions. Then they'd talk about the looks they got and relate it to their clothes. If they didn't get the looks, those outfits would end up in the closet – or at the second hand store.

As they talked about their day, the conversation turned to their boyfriends and what lingerie the guys liked. Alejandra was getting excited as Ana Maria was describing her little lacy numbers that turn on her man. Glancing towards Ana Maria's boobs when she wasn't looking made Alejandra even more horny. She stood up and grabbed the wine bottle from the side table, filled her glass, and turned to refill Ana Maria's. Ana Maria raised her glass and Alejandra couldn't help but look at how her breasts jiggled as she did. Alejandra put the glass down on the coffee table this time and sat herself closer to Ana Maria. How could she tell Ana Maria that she was thinking of a way to have her, to kiss her and to taste her.

They continued to talk for a while longer, all the time Alejandra refilling Ana Maria's glass as she sipped. As the alcohol flowed the conversation became naughtier. Ana Maria confessed that she'd only slept with her boyfriend. She wanted to be with other guys because she liked the attention she would get as they went out. Alejandra's mind grabbed at the opportunity to ask if she'd ever been with a girl.

Alejandra's got her answer. "Mi amiga, no, I like guys."

Alejandra pressed, asking Ana Maria if she ever thought about it; if she liked the smell of women; if she thought another girl would make love to her better than a man? Ana Maria got a blank look on her face like these were the questions of life. She repeated, "No, I like guys." as Alejandra poured her eyes over the sexy little thing in front of her. Ana Maria's answer didn't seem so firm this time. A glint of hope, thought Alejandra as she mentally glimpsed others she had seen and bedded, making herself even hornier.

Suddenly, Ana Maria mumbles, "You know, now that I think about it, there are a few girls that I've had some nasty, I mean naughty, thoughts about.." That little slip opened the door for Alejandra. Ana Maria blushed, now noticing this hot woman was and not caring, looking directly at Alejandra's cleavage, wondering if her breasts felt as soft as they looked. Then she realized she was staring a bit longer then she should. Alejandra smirked seeing Ana Maria looking at her breasts, thinking 'It wouldn't be long now and she'll be eating me out.'

Alejandra asked Ana Maria if she like what she was looking at – and she didn't mind her looking. Ana Maria just brought the wine glass to her lips, avoiding an answer. Alejandra pressed again in a low sexy voice, "Mi amiga, I hope you like me enough to think I'd never do anything to make you uncomfortable. I think you may actually like kissing me." Ana Maria looked up, shocked, and her thighs were getting hotter by the second under the black shorts. Trying to ease the tension, Alejandra says she's always liked their friendship and for the last few months has wanted to get closer to her. She looked Ana Maria directly in the eye and reaches out her hand to take Ana Maria's. Ana Maria doesn't back away. She moved closer and slowly Ana Maria leaned in towards her until they could feel each other's hot breath, stopping a inch away from each other's lips.

**A**na Maria closed her eyes, and with that Alejandra pressed her lips to Ana Maria's, softly at first and then a little harder. Ana Maria felt Alejandra slide her tongue across her lips. She parted them, letting Alejandra's enter her mouth. Alejandra put her left hand behind Ana Maria's head as she put her glass down with her right and then moved it right up to touch the flesh of Ana Maria's breast. She was on fire, leaning forward to deepen their kiss. After a moment of tongues dueling in hot moist mouths, Ana Maria lay back as Alejandra moved over her, their legs intertwining as they pressed their bodies together, grinding their hips on each other's thighs. Ana Maria tilted her head back when Alejandra started kissing her neck. Then she kissed Ana Maria lower and lower.

Ana Maria let Alejandra take off her top and unhook her bra on the front exposing the most perfect set of breasts she'd ever seen. She then placed her mouth over the left one, slowly kissing it then licking it, then sucking it, producing a moan from Ana Maria. She raised her right hand to slowly tweak the right nipple before moving her mouth over to it, sucking it hard, then biting it, making Ana Maria yelp, then moan. Alejandra's hands dropped to Ana Maria's pants, undoing them as Ana Maria kicked off her shoes. Alejandra pulled off her skirt, revealing black laced panties with a growing wet patch. Alejandra kneeled on the floor in front of Ana Maria spreading her legs, kissing the inside of her thigh, and moving further up until she was kissing each side of Ana Maria's panty. Alejandra slipped a finger inside the panty, slowly rubbing the clit and down the slit, feeling how wet Ana Maria was. Alejandra pulled the panty down and the side of her hand brushed her smooth hairless mound. She moved closer, smelling the excited woman, sticking her tongue out, tasting her lady juices as she slid it along Ana Maria's pussy.

Alejandra lapped at Ana Maria's clit, her own pussy getting wetter and wetter as she was licking her friend. Ana Maria grabbed Alejandra's head, pulling it more deeply in to her pussy. Alejandra licked and sucked it making her moan and groan, hips bucking more and more, trying to get as much of Alejandra's tongue as she could deeper into her wet pussy. Ana Maria's legs clamped

around Alejandra's head as the first wave of her orgasm hit. She pushed Alejandra closer to her pussy as more waves flowed over her body. Alejandra held her still as she licked as much of Ana Maria's juices as she could. When Ana Maria stopped convulsing, Alejandra inserted a couple fingers into her sex and let Ana Maria ride them as her climax subsided. Alejandra gave her a deep wet kiss, letting her taste her own pussy juice.

Alejandra got up, dropping her remaining clothes. Ana Maria slowly moved a hand upwards towards Alejandra's right breast as she slowly moved her lips closer to the left nipple. Alejandra began to moan as Ana Maria sucked hard on her nipple, twisting the other in her fingers. Alejandra put her hands on top of Ana Maria's head, pulling it closer. Ana Maria sucked more breast into her mouth and bit on her nipple, making Alejandra moan even more, moving one hand down to her own pussy, and inserting a finger as Ana Maria moved to her other breast, licking the nipple and sucking it. Alejandra groaned and urged Ana Maria to do more.

She tells Alejandra to lay down on the sofa. She moves her eyes down, taking in the sight of this extremely hot and very horny girlfriend in front of her. She focuses on the wet pussy under her, climbing on the sofa until her hot breath was on Alejandra's skin. Her pussy was shaved bare. Ana Maria breathed in the sweet aroma of the pussy, enjoying Alejandra's smell. Then she spread Alejandra's legs wider, getting full access to the throbbing clit and her wet puffy pussy lips. Ana Maria dipped her head, getting her first taste of Alejandra's juices, and she liked it. Alejandra moaned loudly as Ana Maria began licking and sucking in earnest, reaching up, and pinching and pulling Alejandra's nipples. It seemed as if she had done this before, or was it something that just comes naturally as two women get together.

Alejandra moaned deeper as Ana Maria moved her mouth to Alejandra's clit sucking it in and biting it, flicking it with her tongue, and then inserting two fingers into Alejandra's pussy. Alejandra shook as the first orgasm hit her, bucking her hips with each thrust of Ana Maria's fingers, riding wave after wave of pleasure, head thrown back with her eyes closed as the orgasm flowed through her. Ana Maria removed her fingers, licking all the juice off them, and then moved up and kissed Alejandra, letting her taste all of her own juices.

In a low heavy voice, Alejandra tells Ana Maria how nice that was. Ana Maria smiled as Alejandra moved down and began to kiss her boobs. Alejandra closed her eyes and enjoyed the afterglow as she held Ana Maria tightly while she started to nibble her nipples once again. They held each other for a few minutes, then Alejandra says that they still have some shopping to do. "And go drive the guys crazy," laughs Ana Maria. Quickly they get dressed, giggling as they do, and head out the door. At the mall, they put on a show, took names and numbers and even held hands in the food court. Looks like they were going to be very good friends.

# MILFs of the World

There's hot, sexy, pussy all over the world. This month we bring you three more fabulous MILFs who look sweet on the outside yet, horny and nasty on the inside. Sometimes they will cook, but most of the year they're ready to fuck. Their sexual appetites are envious. Even their husbands are not safe.

# DIEDRICK

## PUNTA CANA WAS NEVER THE SAME

*I'd like to introduce myself and my friend. I'm Diedrick and I'm traveling to the Caribbean with my best friend Ludwig. We come from Essen, Germany, but I went to the university in London and graduated this past May. I went back home and convinced Ludwig that we should go to Negril, Jamaica to celebrate, but he heard that Punta Cana in the Dominican Republic was even better. "Okay," I said.*

Two girls really caught our eye. Well, they weren't really girls, per se. It turns out they were young MILFs. Each one newly divorced, we found out, and each ready to let loose. Ludwig, and I were vacationing at a large resort in Punta Cana on the far east coast of Jamaica, near the yacht club. Best decision we ever made. Ludwig and I are both in our early twenties and quite the horn dogs. That's why we were here. Looking for vacation pussy.

Leta has a hot body with pert, impossibly firm boobies and a great

ass that was busting out her bikini bottom. Oh, and she was a blonde, so why Leta? Probably not her real name, I thought. Jolie was the other one. A little shorter than Leta with bigger boobs and tight muscular legs. Both looked utterly amazing in their bikinis. They said they were from France. Lyon to be exact.

We met them on the second day by the pool's cabana sipping some very colorful drinks. We hit on them by the pool. They got in to cool off and Ludwig and I entered from the other end. There were very few others at

the pool that day and most looked like couples, so we were the only game in town (or so we thought) if the girls wanted to party. And that's why you come here, to party.

The third day, Ludwig and I headed back to the pool but they weren't there. We decided to hang out anyway just hoping they would show up. A couple hours later and several beers, we decided to call it off and head back to our room. Just then we saw them walking across the pool patio headed towards their room carrying a bunch of bags.

Jolie mustered a wave to come over and I headed over to them. Ludwig was pretty blitzed so he headed back to the room knowing I had his back. Jolie told me that they went shopping for booze and chips because they wanted to throw a little party to celebrate their independence. She said that she'd come by in a few hours. I offered to help but she said that she and Leta had it covered.

Then, just as she said, three hours later there is a knock at the door. I answer and it's Jolie standing there in a way-too-sexy black bikini. She sings out 'Party time!' and tells me to get Ludwig and come with her. I point back to his slumped figure on the sofa and laugh. "Not ready yet."

She grabs my hand and pulls me down the hallway with barely enough time to close my door. The girls' door was open, and after entering,

Jolie shut the door behind us. Their suite is a lot like ours. A small living room/galley kitchen, and a bedroom. I look around and the place is empty. "Am I the first one here? Where's Leta?" I ask.

Without a word Jolie pulls me back to the bedroom where Leta's on the bed in a bikini. Leta and Jolie start laughing and look at me. "We are!" they say in their cute French accents in unison. Clueless, I just stood there until Leta got off the bed and started to gyrate in front of me. Then Jolie joined in the dance and slowly worked her way over to me and started to undress me.

Before she got too far, Leta came over and pulled me over to the bed and pushed me down on it. All I could think about for about a minute was Ludwig missing all this. Jolie climbs on my chest and starts kiss-

ing me. I smell alcohol on her breath and strawberry lipstick on her lips.

In the meantime, Leta is pulling my board shorts off only to have my cock spring right up. Without missing a beat, Leta takes me in her mouth. I took Jolie's bikini top off and started fondling her beautiful breasts as she moaned and groaned, while Leta was giving me a real good sucking of my balls and licking my shaft up and down.

As I was close to cumming, Jolie sensed this and leaned down and whispered, "Cum in Leta's mouth." Well this sent me over the edge, and just as I started to cum, Leta squeezed my balls.

Jolie rolled off me and I could see my cum in Leta's mouth. We lay there for a short while so I could recover, then Leta pulls Jolie and me off the

bed and drags us into the bathroom. There, we all piled into the shower, all naked. We soaped each other up. I fingered them both to orgasm, and I was now rock-hard again. Now it was my turn to grab the girls and pull them back to the bedroom, and we all tumbled onto the bed, still wet, but too excited to care.

After that I started to rub Leta's clit. She told me to rub faster so I rubbed faster and with my tongue darting in and out of her pussy. She seemed to really enjoy it so I went faster until she said 'watch out' but that turned me on more so I kept licking. When she came she screamed. I lapped up her pussy juice but left plenty for lubrication.

She turned around and grabbed my cock and she was going to please me now. She grabbed my penis and shoved it in her pussy

only once to get the juices all over it, then she started to work her magic. Her hands were way better than mine, softer, more tender, more attentive. Then she started making rings around the head with her tongue. Within three minutes of this attention, I managed to get an "I'm cumming!" out of my mouth but she sucked on it until I was screaming in pain because of how tender it got after sucking.

I got my cock away from Leta and got on top of Jolie, grabbed her legs and pulled them over my shoulders, and slid my cock in deep. She squealed and moaned as I rammed in and out of her hot, wet pussy. Leta got behind me and started kneading my ass cheeks. I fucked Jolie even harder, balls banging hard against her dreamy ass. She came again, and I shot another load of my jizz in her pussy and over her pubes.

After I recovered for another time, I got behind Leta, who was now on her knees doggy waiting for my cock, and as a visual plus, she was eating Jolie out at the same time. We sexed together like this for a few minutes more and worked up quite a tropical sweat. The two ladies came hard and I squirted my man juices one last time as the morning sun streamed in through the drapes.

Bleary eyed, I stumbled down the outdoor walkways finally making to my room. By now Ludwig was up and drinking a cup of coffee. He guessed at once what I had been up to, and called me the luckiest dude on earth. Ludwig got together with Leta couple days later and we spent the last few nights fucking as often as we could. As our vacation ended, the girls were staying on for two more days. We said goodbye at the pool, just as we met.
